Construction and Office News:

Lancaster Waterline – Paving of the bike path west of Hwy 95 (the waterline is installed under the path) is now complete. This finishes the project. Thanks to L&L Cargile for a job well done.

Avondale Phase 2 - Schedule B is nearing completion. Substantial completion is scheduled just before the 4th of July holiday.

ITD - Hwy 95 Project - Scarsella Brothers (general contractor for ITD's highway project) has diverted traffic near Ohio Match Road to the new frontage road (Pope Road). Existing Hwy 95 will be excavated and completely re-done as a 4-lane highway. A new casing for our waterline will be installed at Chilco Road and at the existing crossing north of the mill.

Chilco Road - LID #4 Waterline and Service Installations - Mainline along Chilco Road is complete and the contractor is boring service lines under Chilco Road. The boring under Union Pacific Railroad is now complete. Installation of a new steel casing and waterline across what will be the new Hwy 95 is the next step. Completion is expected in mid July.

Make a Payment at Super 1 Foods on Hayden & Hwy 95

We realize our new address is going to be a further drive for some of our many walk-in customers in the Hayden area.

You will now be able to go to Super 1 Foods on Highway 95 and Hayden Avenue to make a payment. There is **NO** drop box. You **MUST** go **INSIDE** and hand the payment to the clerk at the Service Desk. **CHECK ONLY.** Cash or credit/debit cards will not be accepted.

Of course, we will still accept checks, cash and credit/debit cards at our new Meyer Road address or you can always pay online on our website at www.nkwsd.com.

District Office & Shop - As you've noticed, we are moving our office and shop the last week in June. The District has sold the property on Hayden Avenue and used those proceeds to purchase a larger parcel with an office/shop building on it in Rathdrum. A new pole building has been constructed for our new shop facility. Funding for the remodel and new shop is coming from the sale of our two cell tower leases and the District's revenue bond.

Know what's below.
Call before you dig.

We will be closed
Wednesday, July 4th
in honor of
Independence Day.
