

# North Kootenai Water and Sewer District

February 2017

## Office Hours Changing

On Sunday, March 12th, Daylight Savings Time resumes at 2 a.m. We will all be moving our clocks up one hour.

On Monday, March 13th, the District's office hours will return to our summer hours. We will be open:

**Monday through Thursday  
from 6 a.m. to 4:30 p.m.  
Closed on Fridays.**

## Honeysuckle Hills LID Statements

For our customers in the Honeysuckle Hills area, you should have received your LID statement. The due date is March 20, 2017. Please pay by then to keep from incurring a late charge.

## Conservation Tip

If you're planning on steaming vegetables to go along with potatoes or pasta, put your vegetable steamer right on top of the starchy foods you're boiling. This way you'll save water, space on your stove, and have fewer pots and pans to clean up afterwards.

## Returning Snowbirds

Returning snowbirds, please, contact the office two work days before you want your water turned on. Without this notice, you could be charged a \$50 service fee.

## Portable Generator

During the windstorm of 2015, we had a few small systems that were out of electricity for several days. This made it impossible to pump water. So our customers were without water until the power was restored.

The District has permanent generators at some well houses. This incident showed the need for generators at all of the pump houses. Since the cost of generators is very high, the Board of Directors decided to buy a portable generator. This way we could fill the reservoir at one location, move the generator to a second location

to fill that reservoir, and then move to the next. The District is currently installing transfer switches at a number of locations.

The portable generator has already been in use. In January, while installing a generator at our Lancaster wells, the portable generator was brought in to keep the water flowing. (Pictured above.)

## Check Your Statement

The top of your monthly statement looks something like this:

North Kootenai Water District  
13649 N Meyer Rd  
Rathdrum ID 83858

208-687-6593
