I hereby agree to pay all charges for water service furnished to said premises when due.

Per North Kootenai Water District's Ordinance #99-5: The property owner is responsible for water service fees to the real property or a lien may be filed against the property for any unpaid fees. If property is rented or leased, the property owner will be held responsible.

Property Owner's Signature

In the space provided below, please provide a dimensional plot plan including: location and size of proposed home site, location of and distances from all existing water supply and sewer system features, property lines, neighboring structures of concern, location and size of all building and structures on the property.
