II.

Petitioners are desirous that the above-described property be included in, made or part of, and be served with water system improvements in North Kootenai Water District, Kootenai County, Idaho.

III.

Petitioners request that, in accordance with the provisions of Section 42-3218, Idaho Code, notice of the filing of this petition be given and published in the official newspaper of the District in Kootenai County, Idaho, said notice to give all persons interested an opportunity to appear and show cause in writing, if any they have, why this petition should not be granted at the hearing, time and place to be set by this Board; that further, assuming that no valid objections are made to the inclusion of the above-described property within the boundaries of the District, the Board enter its order that the above-described property be included within the boundaries of the District, and that such order be filed with the Clerk of the District Court, Kootenai County, Idaho and also with the State of Idaho Tax Commission.

documents that are required by the District for annexation of the property. Such District costs shall include, but are not limited to, preparation of conditions of annexation, any needed water system master planning, design consultations, plan reviews, and final approval of the Petitioner's construction plans and specifications for water facilities.

2. The Petitioner shall be responsible for all water facilities that will be necessary to serve the Petitioner's annexed property. These water facilities will include those required within the annexed property as well as all necessary water facilities needed to extend water service from the District's existing facilities to those proposed to serve the annexed property. 5. And such other conditions as the District may prescribe.

WHEREFORE, Petitioners pray that this petition be set for hearing at the earliest practicable time, and that the Board grant the petition including the conditions as set forth in Paragraph IV above.
