

NORTH KOOTENAI WATER DISTRICT

RESOLUTION NO. 99-1

NORTH KOOTENAI WATER DISTRICT  
Kootenai County, Idaho

The Board of Directors of the North Kootenai Water District convened its regular monthly meeting at 8884 North Government Way, Suite A, Hayden Lake, Idaho, at 12:00 P.M. on January 14, 1999. A quorum of directors was present at the meeting. After discussion among those present at the meeting concerning the costs to the District of conducting an engineering review of submitted plans proposing additions to the service infrastructure of the District, upon motion duly made, seconded and unanimously carried, it was,

RESOLVED, that effective January 14, 1999, the District shall conduct an engineering review of submitted plans that propose additions or modifications to the water service infrastructure of the District only on the condition that the party proposing to construct such additions reimburse the District, prior to plan approval, for all engineering fees reasonably incurred by the District in conducting its review of such plans.

BE IT FURTHER RESOLVED, that the District shall not initiate its review of the plans referenced above until the party proposing to construct the additions has paid to the District a minimum plan review fee of \$300.00, which amount shall be nonrefundable when paid. The District shall apply such minimum plan review fee as a credit against engineering fees reasonably incurred by the

District in conducting its review. Any engineering fees in excess of \$300.00 incurred by the District in conducting the plan review must be paid in full to the District prior to final plan approval.

PASSED AND APPROVED this \_\_\_\_ day of January, 1999.
